## Daimler AG, Stuttgart

We herewith invite our shareholders to attend the Annual Meeting of the Shareholders of Daimler AG on Wednesday, April 6, 2016, at 10:00 a.m., in the CityCube Berlin, Entrance: Messedamm 26, 14055 Berlin, Germany.

The invitation to the Annual Meeting including the Agenda has been published in the German Federal Gazette (Bundesanzeiger) on February 22, 2016.

## Agenda\*

### **1. Presentation of the adopted financial statements of Daimler AG, the approved consolidated financial statements, the combined management report for Daimler AG and the Group with the explanatory reports on the information required pursuant to Section 289, Subsections 4 and 5, Section 315, Subsection 4 of the German Commercial Code (Handelsgesetzbuch), and the report of the Supervisory Board for the 2015 financial year**

|--------------------------------|-------------------|
| Dividend distribution of €3.25 |                   |
| for each no par-value share    |                   |
| entitled to dividends          | €3,476,971,702.75 |
| Transfer to retained earnings  | -                 |

The dividend will be paid out on April 7, 2016.

At the time of convocation of the Annual Meeting, the Company does not hold any treasury shares. Should the Company hold any treasury shares at the date of the Annual Meeting, such shares are not entitled to a dividend pursuant to Section 71b of the German Stock Corporation Act (Aktiengesetz). In that case, it is recommended to the Annual Meeting that with an unchanged dividend of €3.25 per no-par value share entitled to dividends the portion of the distributable profit attributable to no-par value shares not entitled to dividends shall be transferred to retained earnings.

### **3. Resolution on ratification of Board of Management members' actions in the 2015 financial year**

The Board of Management and the Supervisory Board recommend that the actions of the Board of Management members who were in office in the financial year 2015 be ratified for that period.

### **4. Resolution on ratification of Supervisory Board members' actions in the 2015 financial year**

The Board of Management and the Supervisory Board recommend that the actions of the Supervisory Board members who were in office in the financial year 2015 be ratified for that period.

## **5. Resolution on the appointment of auditors for the Company and the Group for the 2016 financial year**

Based on the recommendations of the Audit Committee, the Supervisory Board recommends that KPMG AG Wirtschaftsprüfungsgesellschaft, Berlin, be appointed as auditors for the audit of the year-end financial statements for the Company and the Group and a review of the interim financial statements for the 2016 financial year.

## **6. Resolution on the election of members of the Supervisory Board**

At the close of the Annual Meeting on April 6, 2016, the period of office of Dr. Manfred Bischoff and Ms. Petraea Heynike as members of the Supervisory Board will end.

Pursuant to Section 96, Subsection 1 and Section 101, Subsection 1 of the German Stock Corporation Act (Aktiengesetz) and Section 7, Subsection 1, Sentence 1, No. 3 of the German Codetermination Act (Mitbestimmungsgesetz), the Supervisory Board is composed of ten members representing the shareholders and ten members representing the employees, and pursuant to Section 96, Subsection 2, Sentence 1 of the German Stock Corporation Act (Aktiengesetz), of not less than 30% of women (i.e., not less than six) and of not less than 30% of men (i.e., not less than six). The gender quota is to be fulfilled by the Supervisory Board as a whole, unless the members representing the shareholders or those representing the employees object to joint fulfillment pursuant to Section 96, Subsection 2, Sentence 3 of the German Stock Corporation Act (Aktiengesetz).

The members of the Supervisory Board representing the shareholders have objected to the joint fulfillment of the statutory gender quota. Therefore, the Supervisory Board shall be composed of not less than three women and not less than three men on the side of the members representing the shareholders as well as on the side of the members representing the employees.

At the time when this convocation is published, the Supervisory Board is composed of five female members in total, three of them representing the shareholders. On the basis of separate fulfillment, the minimum quota requirement thus is complied with on the side of the members representing the shareholders and would continue to be complied with after the proposed candidates have been re-elected.

The following election proposals are based on the recommendation of the Nomination Committee of the Supervisory Board.

The Supervisory Board proposes the election of

- a) Dr. Manfred Bischoff, Munich, Chairman of the Supervisory Board of Daimler AG,
- b) Petraea Heynike, Vevey, Switzerland, member of the Supervisory Board of Daimler AG, formerly member of the Executive Board of Nestlé S.A.

as members of the Supervisory Board representing the shareholders effective as of the end of this Annual Meeting for the period until the end of the Annual Meeting that passes a resolution on the ratification of the actions of the Boards for the fourth financial year after the beginning of the period of office. The financial year in which the period of office begins is not counted.

It is intended to have the Annual Meeting decide on the candidates by way of separate voting.

Dr. Manfred Bischoff is also a member of the following supervisory boards required by law or comparable domestic or foreign supervisory bodies:

Airbus Group N.V.  
SMS Holding GmbH  
Unicredit S.p.A.

Petraea Heynike is not a member of other supervisory boards required by law or comparable domestic or foreign supervisory bodies.

The Nomination Committee has made its recommendation in line with the requirements of the German Corporate Governance Code and taking account of the targets specified by the Supervisory Board regarding its composition. Following thorough discussions, the Nomination Committee and the Supervisory Board decided to nominate Dr. Bischoff for re-election on the Supervisory Board, although he is already older than 72, the general age limit determined for Daimler AG's Supervisory Board upon election for a full period of office. Due to his many years' activities as a member of the Supervisory Board and as Chairman of the Supervisory Board of Daimler AG, Dr. Bischoff has particular experience and skills in the Company's fields of business. It is the Supervisory Board's intention to secure that knowledge. Furthermore, Dr. Bischoff particularly stands for the successful and constructively critical cooperation both within the Supervisory Board and between the Supervisory Board and the Board of Management.

In case of his re-election, Dr. Manfred Bischoff shall be nominated again as candidate for the Chairman of the Supervisory Board.

In the appraisal of the Supervisory Board, neither of the proposed candidates has a personal or business relation subject to disclosure recommendations pursuant to Section 5.4.1 of the German Corporate Governance Code with Daimler AG or its group companies, the corporate bodies of Daimler AG, or with a shareholder holding a material interest in Daimler AG. The Supervisory Board has made sure with the nominated candidates that they still have sufficient time to perform their mandate.

## Total number of shares and voting rights

At the time of convening the Annual Meeting, the Company's share capital is divided into 1,069,837,447 shares, each of which confers one vote to its holder. The Company holds no treasury shares at said time.

\*\*\*\*\*

## Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights

Shareholders are entitled to attend the Annual Meeting and to exercise their voting rights if they are listed as shareholders in the Company's share register on the day of the Annual Meeting and have notified the Company of their intention to attend the Annual Meeting so that notification is received by the Company **at the latest by 24:00 hours (midnight) on April 1, 2016.**

Shareholders who are listed as shareholders in the share register can notify the shareholder service of Daimler AG of their intention to attend the Annual Meeting at:

Daimler  
Aktionärsservice  
Postfach 1460  
61365 Friedrichsdorf, Germany  
Fax No.: +49 (0)69 2222 34282  
E-mail: [daimler.service@rsgmbh.com](mailto:daimler.service@rsgmbh.com)

or as from March 8, 2016 by using the access-protected e-service for shareholders on the Internet at <https://register.daimler.com>.

Shares will not be blocked as a result of shareholders notifying their intention to attend the Annual Meeting. Shareholders can also dispose of their shares after giving notification. The number of shares held by each shareholder as entered in the share register on the day of the Annual Meeting is decisive for attending and casting votes. Said number of shares will correspond to the number of shares as at the registration deadline of 24:00 hours (midnight) on April 1, 2016 since changes to the share register are not made for technical reasons from the end of April 1, 2016 up to the end of the Annual Meeting (registration stop). The technically decisive effective date regarding the number of shares (Technical Record Date) is therefore the end of April 1, 2016.

Please understand that due to the large number of attendees expected on the basis of previous experience, we can generally only provide each shareholder with a maximum of two admission tickets for our Annual Meeting.

Only shareholders entitled to attend the Annual Meeting and authorized proxies will receive admission tickets and pads of voting cards. Unlike the notification, however, the admission ticket is not a condition for attending the Annual Meeting; it only simplifies procedures at the entrance desks for granting access to the Annual Meeting.

\*\*\*\*\*

## Details of the e-service for shareholders

The convocation of the Annual Meeting on April 6, 2016 is sent by regular mail to all shareholders entered in the share register who have not yet agreed to have it sent by e-mail. On the reverse side of the letter of invitation sent by regular mail, the registration data for our e-service for shareholders can be found, i.e., the shareholder's number and the individual access number. With this data, shareholders using the e-service for shareholders can – as from March 8, 2016 – give notification of their intention to attend the Annual Meeting, order admission tickets, in the context of ordering admission tickets authorize a third party as proxy, authorize and instruct the voting proxies appointed by the Company, or cast their vote by absentee voting. After timely notification of their intention to attend, shareholders can also amend or withdraw their orders of admission tickets, absentee votes cast and authorizations and instructions given for the Company proxies via the e-service for shareholders.

Via the e-service for shareholders, shareholders also have the possibility to print out their admission tickets themselves. Furthermore, we, for the first time, offer our shareholders the possibility, when using the e-service for shareholders, to have their admission tickets sent to their indicated e-mail addresses as a mobile ticket comprising a QR code.

Shareholders who have agreed to have the Annual Meeting documentation sent by e-mail will receive the e-mail with the convocation as an attached pdf file, as well as a link to the e-service for shareholders, at the e-mail address they have specified.

Users of the e-service for shareholders who have already registered for the service can use their self-issued User ID and password.

Please note that requests to speak, questions, motions and election proposals by shareholders for the Annual Meeting cannot be accepted/ submitted nor objections to resolutions passed at the Annual Meeting lodged, via the e-service for shareholders.

\*\*\*\*\*

## Absentee voting procedure

Shareholders who are listed as shareholders in the share register on the day of the Annual Meeting can cast absentee votes without attending the Annual Meeting. Timely notification by the shareholders of their intention to attend the Annual Meeting is indispensable also for this way of voting.

Absentee votes can be sent to the Company in writing or via electronic media ("Textform") at the address, fax number or e-mail address stated above in the section headed "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting by 24:00 hours (midnight) on April 1, 2016 (receipt). In advance of the Annual Meeting, absentee votes timely received can also be withdrawn or amended using these communication channels when received by the Company by 24:00 hours (midnight) on April 5, 2016.

Absentee votes can also be cast via the e-service for shareholders and, provided notification has been made on time, withdrawn or amended in this way until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 hours (noon).

Shareholders not using the e-service for shareholders to cast their absentee votes are requested to use the reply form enclosed with the invitation.

Personal attendance at the Annual Meeting by a shareholder or a third party authorized as proxy will automatically be deemed a withdrawal of any absentee votes previously cast.

Absentee votes on Agenda Item 2 shall also count in the voting on the adjusted proposal for the appropriation of profits as a result of a change in the number of shares entitled to dividends for the preceding financial year 2015.

If an individual vote is taken on an Agenda Item, a vote on this item in its entirety will count as a corresponding vote on each point of the individual vote.

Please note that it is not possible – even via the e-service for shareholders – to cast absentee votes for votes, if any, which are taken on counter-motions or election proposals that are only announced in the Annual Meeting or on any other motions, including procedural motions, that were not communicated in advance of the Annual Meeting. Nor can requests to speak, questions, motions or election proposals be accepted or submitted, or objections lodged against resolutions, by absentee voting in advance of or during the Annual Meeting.

Authorized banks, shareholders' associations and equivalent persons or institutions as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz) may also vote by absentee voting.

\*\*\*\*\*

## Procedure for proxy voting

Shareholders listed in the share register on the day of the Annual Meeting also have the option of voting by proxy, for example by a bank or a shareholders' association or the voting proxies appointed by the Company. In this case, too, timely notification is to be ensured by the shareholder or by a proxy.

If a shareholder authorizes more than one proxy, the Company may reject one or more of those proxies.

## Proxies

If neither a bank nor a shareholders' association nor another equivalent person or institution as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz) is authorized as a proxy, the proxy authorization and any revocation of such authorization are to be communicated either (i) in writing or via electronic media ("Textform") to the address, fax number or e-mail address stated above in the section "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting, or (ii) in writing or via electronic media ("Textform") to the proxy. In the latter case, the Company must be furnished with proof in writing or via electronic media ("Textform").

The proof of proxy authorization or any revocation of proxy authorization vis-à-vis the Company can be communicated to the Company at the address, fax number or e-mail address specified above in the section "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting. On the day of the Annual Meeting, proxy authorization can be effected also at the entrance and exit at the Annual Meeting.

The reply form enclosed with the letter of invitation can also be used for authorizing a proxy and providing proof thereof.

Proxy authorization can also be granted in the context of ordering admission tickets via the e-service for shareholders and, provided notification has been made on time, be revoked in the same way until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 hours (noon).

Personal attendance by a shareholder at the Annual Meeting will automatically be deemed a revocation of proxy authorization previously granted to a third party.

The proxy authorization cards included in the pad of voting cards can be used in the Annual Meeting for authorizing as proxies other shareholders present at the Annual Meeting, shareholder representatives attending the Annual Meeting, or the voting proxies appointed by the Company.

Statutory provisions, in particular Section 135 of the German Stock Corporation Act (Aktiengesetz), apply to the authorization and revocation of proxy authorizations of **banks, shareholders' associations** or equivalent persons or institutions as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz), as well as to the proof of such authorization or revocation. Please also observe any relevant regulations of the banks, shareholders' associations or other equivalent persons or institutions.

If persons or institutions mentioned in the preceding paragraph are listed in the share register, they can exercise the voting rights for shares they do not own only if they are authorized to do so by the actual beneficial owner of the shares.

## Voting by official Company proxies

Shareholders have the possibility to authorize proxies appointed by the Company to vote in accordance with their instructions at the Annual Meeting. The authorization of such proxies, the issuing of voting instructions and any amendments of such as well as the revocation of proxy authorization must be effected in writing or via electronic media ("Textform"); they may be made in the following ways:

They can be sent to the Company at the address, fax number or e-mail address stated above in the section headed "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting by 24:00 hours (midnight) on April 1, 2016 (receipt) at the latest. In advance of the Annual Meeting, proxy authorizations and voting instructions timely received can also be withdrawn or amended in using these communication channels when received by the Company by 24:00 hours (midnight) on April 5, 2016.

Proxy authorization and voting instructions to Company proxies can also be issued via the e-service for shareholders and, provided notification has been made on time, be revoked or amended in the same way until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 hours (noon).

Shareholders not using the e-service for shareholders to grant proxy authorizations and issue instructions are requested to use the reply form enclosed with the letter of invitation.

On the day of the Annual Meeting, proxy authorization and voting instructions for the Company proxies as well as amendments and the revocation can be effected in writing or via electronic media ("Textform") also at the entrance and exit at the Annual Meeting.

Personal attendance by a shareholder or a third party authorized as proxy at the Annual Meeting will automatically be deemed a revocation of proxy authorization previously granted to the Company's voting proxies.

The Company's voting proxies will exercise shareholders' voting rights in accordance with their instructions; even when appointed as proxies, they may only exercise voting rights if express instructions have been given on the individual items of the Agenda and/or on any counter motions and election proposals made accessible before the Annual Meeting.

Even when authorized, the Company's voting proxies may not vote on any counter motions or election proposals that are only announced in the Annual Meeting or on any other motions not communicated in advance of the Annual Meeting. Neither in advance of nor during the Annual Meeting may they take receipt of any instructions relating to procedural motions, requests to speak, asking questions or bringing forward motions or election proposals, or the lodging of objections against resolutions by the Annual Meeting.

Instruction to the Company's voting proxies on Agenda Item 2 will also apply in the voting of the adjusted proposal for the appropriation of profits as a result of a change in the number of shares entitled to dividends for the preceding financial year 2015.

If an individual vote is taken on an item on the Agenda, an instruction on this item in its entirety will be deemed instruction on each point of the individual vote.
