Supervisory Board extends Hubertus Troska's contract

- **Contract extended until December 31, 2020**
- **Chairman of the Supervisory Board Dr. Manfred Bischoff, and Dr. Dieter Zetsche, Chairman of the Board of Management of Daimler AG: "Hubertus Troska plays an important role on the group's Board of Management, and is successfully promoting our business activities in China."**

Stuttgart, Germany – Today, Daimler AG's Supervisory Board extended the contract of Hubertus Troska (54), the Board of Management member responsible for Greater China, until December 31, 2020.

"We are happy to be continuing our outstanding partnership with Hubertus Troska," said Dr. Manfred Bischoff, Chairman of Daimler AG's Supervisory Board and Dr. Dieter Zetsche, Chairman of the Board of Management of Daimler AG. "Hubertus Troska plays an important role on the group's Board of Management, and is successfully promoting our business activities in China. Thanks to the creation of the Greater China division at the Board of Management and Hubertus Troska's dedication and expertise, Daimler is building up its position sustainably in the world's largest growth market."

Hubertus Troska has been a member of Daimler AG's Board of Management since December 13, 2012. His existing contract was due to expire at the end of December 2015. Mr. Troska is the CEO and Chairman of Daimler Greater China Ltd., making him responsible for all of Daimler's strategic and operating activities in China.

This document contains forward-looking statements that reflect our current views about future events. The words “anticipate,” “assume,” “believe,” “estimate,” “expect,” “intend,” “may,” “can,” “could,” “plan,” “project,” “should” and similar expressions are used to identify forward-looking statements. These statements are subject to many risks and uncertainties, including an adverse development of global economic conditions, in particular a decline of demand in our most important markets; a worsening of the sovereign-debt crisis in the euro zone; an increase in political tension in Eastern Europe; a deterioration of our refinancing possibilities on the credit and financial markets; events of force majeure including natural disasters, epidemics, acts of terrorism, political unrest, industrial accidents and their effects on our sales, purchasing, production or financial services activities; changes in currency exchange rates; a shift in consumer preferences towards smaller, lower-margin vehicles; a possible lack of acceptance of our products or services which limits our ability to achieve prices and adequately utilize our production capacities; price increases for fuel or raw materials; disruption of production due to shortages of materials, labor strikes or supplier insolvencies; a decline in resale prices of used vehicles; the effective implementation of cost-reduction and efficiency-optimization measures; the business outlook for companies in which we hold a significant equity interest; the successful implementation of strategic cooperations and joint ventures; changes in laws, regulations and government policies, particularly those relating to vehicle emissions, fuel economy and safety; the resolution of pending official investigations and the conclusion of pending or threatened future legal proceedings; and other risks and uncertainties, some of which we describe under the heading “Risk and Opportunity Report” in Daimler’s most recent Annual Report. If any of these risks and uncertainties materializes or if the assumptions underlying any of our forward-looking statements prove to be incorrect, the actual results may be materially different from those we express or imply by such statements. We do not intend or assume any obligation to update these forward-looking statements since they are based solely on the circumstances at the date of publication.
