Supervisory Board of Daimler AG appoints Renata Jungo Brüngger to the Board of Management

- **Renata Jungo Brüngger to be new Board of Management Member for Integrity and Legal Affairs**
- **Appointed until December 31, 2018**

Stuttgart, Germany – In its meeting today, the Supervisory Board of Daimler AG appointed Renata Jungo Brüngger (54) to the Board of Management with effect as of January 1, 2016. She will take over responsibility for Integrity and Legal Affairs, thus succeeding to Dr. Christine Hohmann-Dennhardt. The appointment of Renata Jungo Brüngger is effective until December 31, 2018.

“With Renata Jungo Brüngger, an experienced Daimler lawyer will become a member of the Board of Management. At the same time, this will make the Board of Management younger and more international. Renata Jungo Brüngger is a proven expert in international commercial law; her outstanding expertise is the result of 25 years of experience as a lawyer and attorney in several internationally active companies. With her competence, Renata Jungo Brüngger will make a major contribution to the further development of Daimler’s high standards in the fields of integrity, compliance and legal affairs,” stated Dr. Manfred Bischoff, Chairman of the Supervisory Board of Daimler AG.

Renata Jungo Brüngger was born on August 7, 1961, and is a Swiss citizen. After completing her bilingual studies of jurisprudence at the University of Fribourg in Switzerland in 1985, she became a licensed attorney-at-law in 1989. While working as a lawyer, she attended an additional course of studies at the University of Zurich and gained a Master of Laws (LL.M.) in international commercial law, specializing in intellectual property rights and technology and information rights, in 1998.

Since November 1, 2011, Renata Jungo Brüngger has been Head of Legal at Daimler AG. Before that, she was General Counsel Corporate EMEA and Vice President/General Counsel Emerson Process Management EMEA at Emerson Electric in Switzerland. From 1995 until 2000, she was a director in the legal department at Metro Holding AG, Switzerland. From 1990 until 1994, she worked as lawyer at law firm Bär & Karrer, Zürich. Before that, she was a legal advisor at Bank Clariden Leu in Zürich.

This document contains forward-looking statements that reflect our current views about future events. The words “anticipate,” “assume,” “believe,” “estimate,” “expect,” “intend,” “may,” “can,” “could,” “plan,” “project,” “should” and similar expressions are used to identify forward-looking statements. These statements are subject to many risks and uncertainties, including an adverse development of global economic conditions, in particular a decline of demand in our most important markets; a worsening of the sovereign-debt crisis in the euro zone; an increase in political tension in Eastern Europe; a deterioration of our refinancing possibilities on the credit and financial markets; events of force majeure including natural disasters, acts of terrorism, political unrest, industrial accidents and their effects on our sales, purchasing, production or financial services activities; changes in currency exchange rates; a shift in consumer preferences towards smaller, lower-margin vehicles; a possible lack of acceptance of our products or services which limits our ability to achieve prices and adequately utilize our production capacities; price increases for fuel or raw materials; disruption of production due to shortages of materials, labor strikes or supplier insolvencies; a decline in resale prices of used vehicles; the effective implementation of cost-reduction and efficiency-optimization measures; the business outlook for companies in which we hold a significant equity interest; the successful implementation of strategic cooperations and joint ventures; changes in laws, regulations and government policies, particularly those relating to vehicle emissions, fuel economy and safety; the resolution of pending government investigations and the conclusion of pending or threatened future legal proceedings; and other risks and uncertainties, some of which we describe under the heading “Risk and Opportunity Report” in the current Annual Report. If any of these risks and uncertainties materializes or if the assumptions underlying any of our forward-looking statements prove to be incorrect, the actual results may be materially different from those we express or imply by such statements. We do not intend or assume any obligation to update these forward-looking statements since they are based solely on the circumstances at the date of publication.
