RESPONSIBLE PERSONS

Responsibility for the Admission Document

The Issuer and the Guarantor accept responsibility for the information contained in this Admission Document.

Declaration of Responsibility

To the best of the knowledge of the Issuer and the Guarantor (each having taken all reasonable care to ensure that such is the case), the information contained in this Admission Document is in accordance with the facts and does not omit anything likely to affect the import of such information.

RISK FACTORS

In purchasing Notes, investors assume the risk that the Issuer and the Guarantor may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer and the Guarantor becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer and Guarantor may not be aware of all relevant factors and certain factors which they currently deem not to be material may become material as a result of the occurrence of events outside the Issuer's and Guarantor's control. The Issuer and the Guarantor have identified in this Admission Document a number of factors relating to the Notes which could materially adversely affect their ability to make payments due under the Notes or the Guarantee.

In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below.

Prospective investors should also read the other information set out elsewhere in this Admission Document and the information and documents available on the website of the Guarantor (www.daimler.com) and reach their own views prior to making any investment decision.

Risks Factors Relating to the Notes

The Notes May not be a Suitable Investment for all Investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained in this Admission Document or any applicable supplement hereto;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation and the investment(s) it is considering, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including where the currency for principal or interest payments under the Notes is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Sophisticated institutional investors generally do not purchase financial instruments as stand-alone investments. They purchase financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolio. A potential investor should not invest in the Notes unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks Related to the Admission to Trading on the ExtraMOT PRO and Liquidity Risk

Application has been made for the admission to trading of the Notes on ExtraMOT PRO, which is the professional segment of the ExtraMOT Market (reserved exclusively to professional investors) organised and managed by the Italian Stock Exchange. The Notes are new securities for which there is no market at the date of this Admission Document and which will not benefit from the appointment of a specialist operator (*operatore specialista*, as defined under the ExtraMOT Market Rules). Therefore, there can be no assurance as to the liquidity of any market that may develop for the Notes, the ability of the Holders to sell the Notes or the price at which the Notes may be sold. The liquidity of any market for the Notes will depend on the number of Holders, prevailing interest rates, the market for similar securities and other factors, including general economic conditions, and the Issuer's and the Guarantor's financial condition, performance and prospects. In an illiquid market, a Holder might not be able to sell his Notes at any time at fair market prices.

There can be no assurance that an active trading market will develop or, if one does develop, that it will be maintained. If an active trading market does not develop or cannot be maintained, this could have a material adverse effect on the liquidity and trading prices of the Notes.

Market Price Risk

The development of market prices of the Notes depends on various factors, such as changes of market interest rate levels, the policy of central banks, overall economic developments, inflation rates or the lack of or excess demand for the Notes. The Holder of Notes is therefore exposed to the risk of an unfavourable development of market prices of his Notes which materialises if the Holder sells the Notes prior to the final maturity of the Notes. If the Holder decides to hold the Notes until final maturity the Notes will be redeemed at their principal amount.

Risk of Early Redemption

Pursuant to the Terms and Conditions of the Notes, the Issuer has the right to call the Notes in whole, but not in part, at any time prior to maturity if

- (i) the Issuer has or will become obliged to pay additional amounts pursuant to § 7 of the Terms and Conditions of the Notes (*Taxation*) or the Guarantor were unable for reasons outside its control to procure payment by the Issuer and in making payment itself were required to pay such additional amounts as a result of any change in, or amendment to, the laws or regulations of the country in which the Issuer or the Guarantor is domiciled (or resident for tax purposes) or of any political subdivision or taxing authority thereof or therein, or as a result of any change in, or amendment to, an official interpretation or application of such laws or regulations, which amendment or change is effective on or after the date on which the Notes are issued; or
- (ii) the Notes will cease to be listed on a regulated market or on a multilateral trading facility as defined by Directive 2014/65/EU of the European Parliament and of the Council of May 15, 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU,

((i) to (ii) together, the "**Issuer's Call Rights**"). The Issuer's Call Rights are likely to limit the market value of the Notes. Prior to or during any period when the Issuer may elect to redeem the Notes, the market value of the Notes generally will not rise substantially above the price at which they can be redeemed.

In addition, the Notes are subject to early redemption in case of the occurrence of an event of default (an "**Event of Default**") specified in § 9 of the Terms and Conditions of the Notes (*Acceleration*).

If the Issuer redeems the Notes prior to maturity or the Notes are subject to early redemption due to an Event of Default, a Holder of the Notes is exposed to the risk that due to early redemption his investment may have a lower than expected yield.

The Issuer might exercise its optional call right at a point in time when the yield on comparable notes in the capital market falls and the Issuer's cost of any new borrowing is lower than the interest rate payable under the Notes. At those times, an investor may only be able to reinvest the redemption proceeds in notes with a lower yield. Prospective investors should consider reinvestment risk in light of other investments available.

Currency Risks

The Notes will be issued in Euro. However, pursuant to § 4 of the Terms and Conditions of the Notes (*Payments*), payments of amounts due on the Notes shall be made in the freely negotiable and convertible currency which on the respective due date is the legal currency in the Republic of Italy. Therefore, the Issuer will pay principal and interest on the Notes either in Euro (in case the Euro will be the legal currency in the Republic of Italy on the relevant due date of any payment under the Notes) or in such other currency which may be the legal currency in the Republic of Italy on the relevant due date (in case the Euro will not be the legal currency in the Republic of Italy on the relevant due date anymore).

This presents certain risks relating to currency conversions and payment and transfer restrictions.

Following the replacement of the Euro as the legal currency in the Republic of Italy by a new currency, exchange rates may significantly fluctuate or change (including fluctuations and changes due to the devaluation of the new legal currency in the Republic of Italy *vis-à-vis* (i) the Euro or (ii) the investor's currency (in case the investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Euro or the new legal currency in the Republic of Italy). Fluctuations and changes in currency exchange rates may result from, *inter alia*, macro-economic factors, speculative transactions and interventions by central banks. An appreciation in the value of the Euro or the Investor's Currency relative to the new legal currency in the Republic of Italy would decrease (i) the Euro-equivalent or the Investor's Currency-equivalent yield on the Notes, (ii) the Euro-equivalent or the Investor's Currency-equivalent value of the principal payable on the Notes, and (iii) the Euro-equivalent or the Investor's Currency-equivalent market value of the Notes.

In addition, government and monetary authorities in Italy and Europe but also government and monetary authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls and other restrictions on payments and transfers. As a result of the imposition of such exchange controls and other restrictions on payments and transfers, investors may receive less interest or principal than expected, or no interest or principal at all.

The Notes Will Pay a Floating Rate of Interest

Floating rate debt securities tend to be volatile investments. A Holder of the Notes is exposed to the risk of fluctuating interest rate levels and, consequently, uncertain interest income. Fluctuating interest rate levels make it impossible to determine the yield of the Notes in advance. Neither the current nor the historical value of the relevant floating rate should be taken as an indication of the future performance of such floating rate during the term of the Notes.

Depending on the development of the 3 Months Euro Interbank Offered Rate, to which payments of interest under the Notes are linked, a Holder may not receive any interest at all.

Payments of Interest under the Notes Are Linked to the 3 Months Euro Interbank Offered Rate

The Euro Interbank Offered Rate ("**EURIBOR**"), the London Interbank Offered Rate and other indices which are deemed "benchmarks" (each a "**Benchmark**" and together, the "**Benchmarks**") are the subject of recent national, international and other regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause the relevant Benchmarks to perform differently than in the past, or have other consequences which cannot be predicted.

Key international proposals for reform of Benchmarks include (i) IOSCO's *Principles for Oil Price Reporting Agencies* (October 2012) and *Principles for Financial Benchmarks* (July 2013), (ii) ESMA-EBA's *Principles for the benchmark-setting process* (June 2013), and (iii) the European Commission's *Proposal for a regulation on indices used as benchmarks in financial instruments and financial contracts* (December 2015) (the "**Proposed Benchmark Regulation**") which has been politically agreed and is subject only to final legal and translation review. In addition to the aforementioned proposals, there are numerous other proposals, initiatives and investigations which may impact Benchmarks.

The Proposed Benchmark Regulation, if passed in its December 2015 form, would apply principally to "administrators" and also, in some respects, to "contributors" and certain "users" of Benchmarks in the EU, and would, among other things, (i) require Benchmark administrators to be authorised (or, if non-EU-based, to satisfy equivalence, recognition or endorsement requirements) and to comply with extensive requirements in relation to the administration of Benchmarks, and (ii) prevent certain uses of Benchmarks of unauthorised administrators.

Any changes to the 3 months EURIBOR as a result of the Proposed Benchmark Regulation or other initiatives could have a material adverse effect on the costs of refinancing the 3 months EURIBOR or the costs and risks of administering or otherwise participating in the setting of the 3 months EURIBOR and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or participate in the 3 months EURIBOR, trigger changes in the rules or methodologies used in determining the 3 months EURIBOR or lead to the disappearance of the 3 months EURIBOR.

Although it is uncertain whether (or to what extent) any of the above-mentioned changes and/or any further changes in the administration or method for determining the 3 months EURIBOR could have an effect on the value of the Notes, investors should be aware that:

- (i) any change to the 3 months EURIBOR could affect the level of the published rate, including to cause it to be lower and/or more volatile than it would otherwise be;
- (ii) if the 3 months EURIBOR is discontinued, the rate of interest on the Notes will be determined by the fallback provisions of the Notes. This may cause the interest to be lower than it would otherwise be;
- (iii) the methodology or other terms of the 3 months EURIBOR could be changed, and such changes could have the effect of reducing the rate or level or affecting the volatility of the 3 months EURIBOR; and
- (iv) the administrator of the 3 months EURIBOR will not have any involvement in the Notes and may take any actions in respect of the 3 months EURIBOR without regard to the effect of such actions on the Notes.

Investors thus face the risk that any changes to the 3 months EURIBOR may have a material adverse effect on the value of and the amount payable under the Notes. **Credit Ratings May not Reflect All Risks Associated with an Investment in the Notes**

The Notes are expected to be rated. A rating may not reflect the potential impact of all risks relating to structure, market, additional factors discussed above and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

Taxation

Potential purchasers of Notes should be aware that stamp duty and other taxes and/or charges may be levied in accordance with the laws and practices in the countries where the Notes are transferred and other relevant jurisdictions. Potential purchasers of the Notes who are in any doubt as to their tax position should consult their own independent tax advisers. In addition, potential purchasers should be aware that tax regulations and

their application by the relevant taxation authorities may change from time to time. Accordingly, it is not possible to predict the precise tax treatment of the Notes which will apply at any given time.

Resolutions at Holders' Meetings Bind All Holders

§ 13 of the Terms and Conditions of the Notes (*Amendment of the Terms and Conditions, Holders' Representative*) provides for calling meetings of Holders to consider matters affecting Holders' interests generally, including modifications to the Terms and Conditions of the Notes. These provisions permit defined majorities to bind all Holders, including those who did not attend and vote at the relevant meeting or who voted in a manner contrary to the majority. Therefore, a Holder is subject to the risk of being outvoted by a majority resolution adopted at a Holders' meeting. As such majority resolution properly adopted is binding on all Holders, certain rights of such Holder against the Issuer under the Terms and Conditions of the Notes may be amended or reduced or even cancelled.

Holdings' Representative

§ 13 of the Terms and Conditions of the Notes (*Amendment of the Terms and Conditions, Holders' Representative*) provides for the appointment of a Holdings' Representative. It is therefore possible that a Holder may be deprived of its individual right to pursue and enforce its rights under the Terms and Conditions of the Notes against the Issuer if such actions are incompatible with the decisions adopted at the Holdings' meetings pursuant to Article 2415 of the Italian Civil Code, such right passing to the Holdings' Representative who is then responsible to claim and enforce the rights of all Holders.

Interests of Natural and Legal Persons Involved in the Issue or the Offer

The lead manager which will subscribe and purchase the Notes and/or its affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and the Guarantor in the ordinary course of business. In addition, in the ordinary course of their business activities, the lead manager and/or its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or the Guarantor. The lead manager and/or its affiliates that have a lending relationship with the Issuer or the Guarantor may hedge their credit exposure to the Issuer or the Guarantor consistent with their customary risk management policies. Typically, the lead manager and/or its affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes. Any such short positions could adversely affect future trading prices of the Notes. The lead manager and/or its affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

INTEREST

(1) *Interest Payment Dates*.

(a) The Notes shall bear interest on their outstanding aggregate principal amount from, and including, May 25, 2016 (the "**Interest Commencement Date**") to, but excluding, the Maturity Date (as defined in § 5 (1)). Interest on the Notes shall be payable quarterly in arrear on each Interest Payment Date (as defined below).

(b) "**Interest Payment Date**" means each February 25, May 25, August 25 and November 25, commencing on August 25, 2016.

Interest Payment Dates are subject to adjustment in accordance with the provisions set out in § 4 (4).

(2) *Rate of Interest.* The rate of interest (the "**Rate of Interest**") for each Interest Period (as defined below) shall be the Reference Interest Rate (as defined below) plus the Margin (as defined below), all as determined by the Calculation Agent.

"**Reference Interest Rate**" means, except as provided below, the 3 months EUR-EURIBOR (as defined below), expressed as a percentage rate *per annum*.

The "**3 months EUR-EURIBOR**" shall be the rate for deposits in the Specified Currency with a term corresponding with the term of the Reference Interest Rate, which appears on the Screen Page (as defined below) as of 11.00 a.m. (Brussels time) on the Determination Day (as defined below), all as determined by the Calculation Agent.

"**Interest Period**" means each period from, and including, the Interest Commencement Date to, but excluding, the first Interest Payment Date and from, and including, each Interest Payment Date to, but excluding, the following Interest Payment Date.

"**Determination Day**" means the second Business Day prior to the commencement of the relevant Interest Period. For the purposes of this paragraph (2) only, "**Business Day**" means a day (other than a Saturday or Sunday) on which the Trans-European Automated Real-time Gross Settlement Express Transfer System 2 ("**TARGET**") is open and commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Rome.

"**Margin**" means 0.43 per cent. *per annum*.

"**Screen Page**" means (i) Reuters Screen Page EURIBOR01, or (ii) such other display page as may replace such Screen Page on the service provided by Reuters, or (iii) the display page of such other service as may be nominated by the Calculation Agent as the replacement information vendor for the purpose of displaying the relevant rate.

If the Screen Page is cancelled or unavailable or if the Reference Interest Rate does not appear as at such time on the relevant Determination Day on the Screen Page, the Calculation Agent shall request each of the Reference Banks (as defined below) to provide the Calculation Agent with its rate (expressed as a percentage rate *per annum*) at which it offers deposits in the Specified Currency with a term corresponding with the term of the Reference Interest Rate, commencing on the first day of the relevant Interest Period and in a Representative Amount (as defined below) to prime banks in the interbank market of the Euro-zone at approximately 11.00 a.m. (Brussels time) on the Determination Day. If two or more of the Reference Banks provide the Calculation Agent with such rates, the Reference Interest Rate for such Interest Period shall be the arithmetic mean (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards) of such rates, all as determined by the Calculation Agent.

If on any Determination Day only one or none of the Reference Banks provides the Calculation Agent with such rates as specified in the preceding paragraph, the Reference Interest Rate for the relevant Interest Period shall be the rate *per annum* which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by major banks in the interbank market of the Euro-zone, selected by the Calculation Agent acting in good faith, at which such banks offer, as at approximately 11.00 a.m. (Brussels time) on the first day of the relevant Interest Period loans in the Specified Currency with a term corresponding with the term of the Reference Interest Rate, commencing on the first day of the relevant Interest Period and in a Representative Amount to leading European banks. If the Reference Interest Rate cannot be determined in accordance with the foregoing provisions of this paragraph, the Reference Interest Rate shall be the rate on the Screen Page, as described above, on the last day preceding the Determination Day on which such rate appeared.

"**Reference Banks**" means four major banks in the interbank market of the Euro-zone.

"**Representative Amount**" means an amount that is representative for a single transaction in the relevant market at the relevant time.

(3) *Minimum Rate of Interest.* If the Rate of Interest in respect of any Interest Period determined in

accordance with the above provisions is less than 0.00 per cent. *per annum*, the Rate of Interest for such Interest Period shall be 0.00 per cent. *per annum*.

(4) *Default Interest*. The Notes shall cease to bear interest from the expiry of the day preceding the due date for redemption. If the Issuer fails to redeem the Notes when due, interest shall continue to accrue on the outstanding aggregate principal amount of the Notes from, and including, the due date for redemption to, but excluding, the date of actual redemption of the Notes at the default rate of interest which corresponds to the Rate of Interest plus 2 per cent. *per annum*.

(5) *Calculation of Amount of Interest*. The Calculation Agent will, on or as soon as practicable after each date at which the relevant Rate of Interest is to be determined, calculate the amount of interest payable under the Notes in respect of the Specified Denomination for the relevant Interest Period (the "**Amount of Interest**"). The Amount of Interest shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction (as defined below), and rounding the resulting figure to the nearest sub-unit of the Specified Currency, half of such sub-unit being rounded upwards or otherwise in accordance with the applicable market convention.

(6) *Notification of Rate of Interest and Amount of Interest*. The Calculation Agent will cause the Interest Period, the Rate of Interest, the Amount of Interest and the Interest Payment Date for the relevant Interest Period to be notified to the Issuer, to any stock exchange or multilateral trading facility on which the Notes are from time to time listed, if so required by the rules of such stock exchange or multilateral trading facility, and to the Holders in accordance with § 12 as soon as possible after their determination. Each Amount of Interest and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment will be notified to any stock exchange or multilateral trading facility on which the Notes are from time to time listed and to the Holders in accordance with § 12.

(7) *Determinations Binding*. All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this § 3 by the Calculation Agent shall (in the absence of wilful default, manifest error or gross negligence) be binding on the Issuer, the Issuing Agent, any Paying Agent and the Holders and, in the absence of the aforesaid, no liability to the Issuer, the Issuing Agent, any Paying Agent or the Holders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(4) *Payment Business Day*. If the due date for any payment in respect of the Notes would otherwise fall on a day which is not a Payment Business Day (as defined below) the due date for such payment shall be

postponed to the next day which is a Payment Business Day unless the due date for such payment would thereby fall into the next calendar month, in which event the due date for such payment shall be the immediately preceding day which is a Payment Business Day.

"Payment Business Day" means a day (other than a Saturday or a Sunday) (i) on which Monte Titoli is operating, and (ii) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Rome and TARGET is open.

If the due date for the redemption of the principal amount of the Notes is adjusted the Holder shall not be entitled to payments in respect of such adjustment.

(5) *References to Principal and Interest.* References in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable: the Final Redemption Amount of the Notes (as specified in § 5 (1)); the Early Redemption Amount of the Notes (as specified below); and any premium and any other amounts (other than interest) which may be payable under or in respect of the Notes. References in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any Additional Amounts (as defined in § 7) which may be payable under § 7.

§ 5 REDEMPTION

(1) *Redemption at Maturity.* Unless previously redeemed or purchased and cancelled, and subject to adjustment in accordance with the provisions set out in § 4 (4), the Notes shall be redeemed at their Final Redemption Amount on May 25, 2018 (the "**Maturity Date**"). The "**Final Redemption Amount**" in respect of each Note shall be its principal amount.

(2) *Early Redemption for Reasons of Taxation.* The Notes will be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date on giving not less than 30 days' nor more than 60 days' prior notice of redemption to the Issuing Agent and, in accordance with § 12, to the Holders (which notice shall be irrevocable), if on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay Additional Amounts pursuant to § 7 or the Guarantor were unable for reasons outside its control to procure payment by the Issuer and in making payment itself were required to pay such Additional Amounts as a result of any change in, or amendment to, the laws or regulations of the country in which the Issuer or the Guarantor is domiciled (or resident for tax purposes) or of any political subdivision or taxing authority thereof or therein, or as a result of any change in, or amendment to, an official interpretation or application of such laws or regulations, which amendment or change is effective on or after the date on which the first tranche of this series of Notes is issued, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or the Guarantor would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due.

Notes to be redeemed pursuant to this § 5 (2) will be redeemed at their Early Redemption Amount (as defined in § 5 (4)) together with interest, if any, accrued to, but excluding, the date of redemption.

(3) *Early Redemption at the Option of the Issuer.* The Issuer may, at its option, redeem the Notes in whole, but not in part, on any Interest Payment Date on giving not less than 15 days' prior notice of redemption to the Issuing Agent and, in accordance with § 12, to the Holders (which notice shall be irrevocable) in the event that the Notes will cease to be listed on a regulated market or on a multilateral trading facility as defined by Directive 2014/65/EU of the European Parliament and of the Council of May 15, 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU.

Notes to be redeemed pursuant to this § 5 (3) will be redeemed at their Early Redemption Amount together with interest, if any, accrued to, but excluding, the date of redemption.

§ 7
TAXATION

The Notes will be subject to the Italian tax regime regulated by Legislative Decree No. 239 of April 1, 1996 as amended and supplemented ("**Decree No. 239**") provided that the Notes are listed on a regulated stock market or on a multilateral trading facility of an EU member state or a state belonging to the European Economic Area which allows the exchange of information with the Italian tax authorities. A substitute tax (*imposta sostitutiva*) levied at the rate of 26 per cent. will be applicable to interest and other proceeds payable to Holders resident in the Republic of Italy which are individuals, non-commercial partnerships, non-profit organisations, or entities which are exempt from corporate income tax. No *imposta sostitutiva* will be applicable on interest and other proceeds payable to (i) Italian resident corporate entities, Italian investment funds, Italian real estate investment funds, Italian pension funds or Italian permanent establishments of non-resident companies which have deposited the Notes in accordance with the provisions of the Decree No. 239; (ii) non-Italian resident persons which are resident for tax purposes in a

country which allows an adequate exchange of information with the Republic of Italy as indicated by Article 6 of Decree No. 239 that refers to applicable Italian tax laws and regulations as amended from time to time, including *inter alia*, Ministerial Decree as of September 4, 1996 and any decree to be issued under Article 11(4)(c) of Decree 239 (as amended by Legislative Decree No. 147 of September 14, 2015) or any other decree or regulation that will be issued in the future to provide the list of such countries (the "**Qualifying Countries**"); (iii) institutional investors incorporated in one of the Qualifying Countries if the Notes have been deposited in accordance with the provisions of Article 7 of Decree No. 239. In addition, non-Italian resident persons indicated in point (ii) above or non-Italian resident institutional investors indicated in point (iii) above have to produce a self certification (in compliance with the tax forms and official instructions provided by the Italian Revenue Agency) stating that they meet the requirements of Decree No. 239; in any other case, the *imposta sostitutiva* levied at the rate of 26 per cent. will be applicable on interest and other proceeds payable to non-Italian resident persons. The rate of the *imposta sostitutiva* may be decreased pursuant to the provisions of the applicable double tax treaty (if any). All payments of principal and interest due by the Issuer on the Notes or by the Guarantor under the Guarantee shall be made without deduction or withholding for or on account of any present or future taxes, duties or governmental charges of any nature whatsoever imposed, levied or collected by or in or on behalf of the country in which the Issuer or the Guarantor is domiciled (or resident for tax purposes) or by or on behalf of any political subdivision or authority therein or thereof having power to tax (in the following together "**Withholding Taxes**"), unless such deduction or withholding is required by law. In such latter event, the Issuer or the Guarantor shall pay such additional amounts (the "**Additional Amounts**") of principal and interest as may be necessary in order that the net amounts received by the Holders after such deduction or withholding shall equal the respective amounts of principal and interest which would have been receivable had no such deduction or withholding been required. No such Additional Amounts shall, however, be payable on account of any Withholding Taxes

- (i) which are payable otherwise than by deduction or withholding from payments of principal or interest; or
- (ii) which are payable by reason of a change in law (or by reason of any application or official interpretation of any law or regulation) that becomes effective or is published more than 30 days after the relevant payment of principal or interest becomes due, or, if this occurs later, is duly provided for and notice thereof is given in accordance with § 12; or
- (iii) which are deducted or withheld by a paying agent from a payment if the payment could have been made by another paying agent without such deduction or withholding; or
- (iv) which are payable where the Holder is able to avoid such deduction or withholding by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
- (v) which are deducted or withheld pursuant to (x) any European Union Directive or Regulation concerning the taxation of interest income, or (y) any international treaty or understanding relating to such taxation and to which the country of domicile (or residence for tax purposes) of the Issuer, or the Guarantor or the European Union is a party, or (z) any provision of law implementing, or complying with, or introduced to conform with, such Directive, Regulation, treaty or understanding; or
- (vi) which are payable in respect of any Note presented for payment by or on behalf of a Holder who would have been able to avoid such deduction or withholding by presenting the Note to another paying agent in a member state of the EU; or
- (vii) which are payable as a result of a Holder's (or beneficial owner's) failure, or the failure of any agent having custody or control over a payment, to establish its exemption from such deduction or withholding by complying with any requirements to report on it, its owners or holders of interests, or to enter into an agreement with a taxing authority to provide such information; or
- (viii) which in case of payments by the Issuer or the Guarantor are payable by reason of the Holder having, or having had, some personal or business connection with the country in which the Issuer or the Guarantor is domiciled (or resident for tax purposes) and not merely by reason of the fact that payments in respect of the Notes are, or for purposes of taxation are deemed to be, derived from

sources in, or are secured in the country in which the Issuer or the Guarantor is domiciled (or resident for tax purposes); or

- (ix) in respect of any payment or deduction of any interest or principal on account of *imposta sostitutiva* (at the then applicable rate of tax) pursuant to Decree No. 239 with respect to any Notes or the Guarantee or, for the avoidance of doubt, Italian Legislative Decree No. 461 of November 21, 1997 (as amended by Italian Legislative Decree No. 201 of June 16, 1998) (as any of the same may be amended or supplemented) or any related implementing regulations; or
- (x) in all circumstances in which the procedures set forth in Decree No. 239 in order to benefit from a tax exemption have not been met or complied with except where such procedures have not been met or complied with due to the actions or omissions of the Issuer or its agents; or
- (xi) in respect of any Notes or the Guarantee where payments are required:
 - (a) in the Republic of Italy; or
 - (b) more than 30 days after the Maturity Date except to the extent that the relevant Holder would have been entitled to an Additional Amount on the payment of such Note on such thirtieth day assuming that day to have been a Payment Business Day; or
 - (c) in the event of payment to a non-Italian resident legal entity or a non-Italian resident individual, to the extent that interest or other amounts are paid to a non-Italian resident legal entity or a non-Italian resident individual which is neither resident nor incorporated in a Qualifying Country; or
 - (d) in respect of any Notes where such withholding or deduction is required pursuant to Presidential Decree No. 600 of 29 September, 1973, as amended or supplemented from time to time.

§ 8

PRESCRIPTION PERIOD

The claims for payment under the Notes shall become statute-barred ten years (in respect of principal) or five years (in respect of interest) after the applicable due date for payment thereof.

§ 9

ACCELERATION

- (1) *Events of Default.* Each Holder shall be entitled to declare his Notes due and demand immediate redemption thereof at the Early Redemption Amount (as specified in § 5 (4) (*Early Redemption Amount*)), together with accrued interest, if any, in the event that
- (i) any amount due under these Notes has not been paid within 30 days from the relevant due date; or
 - (ii) the Issuer fails duly to perform any other obligation arising from the Notes, or the Guarantor fails to perform any obligation arising from the Undertaking referred to in § 2 (3) and such failure continues for more than 45 days after the Issuing Agent has received notice thereof from a Holder; or
 - (iii) the Issuer or the Guarantor announces its inability to meet its financial obligations; or
 - (iv) a court opens insolvency or other bankruptcy proceedings against the Issuer or the Guarantor, or such proceedings are instituted and have not been discharged or stayed within 90 days, or the Issuer or the Guarantor applies for or institutes such proceedings; or
 - (v) the Issuer or the Guarantor goes into liquidation unless this is done in connection with a merger, consolidation or other form of combination with another company or in connection with a reconstruction and such other or new company assumes all obligations contracted by the Issuer or the Guarantor in connection with the issue of the Notes.

The right to declare the Notes due shall terminate if the situation giving rise to it has been cured before the right is exercised.

(2) *Notice.* Any notice, including any notice declaring Notes due in accordance with this § 9, shall be made in accordance with § 12 (3) (*Form of Notice to Be Given by any Holder*).

In the case of subparagraph (1) (ii) above, any notice declaring Notes due shall, unless at the time such

notice is received, any of the events specified in subparagraphs (1) (i) and (iii) through (v) above entitling Holders to declare their Notes due has occurred, become effective only when the Issuer or the Issuing Agent has received such notices from Holders of at least one tenth of the aggregate principal amount of the Notes of this Series or, if this is less, one-tenth of the aggregate principal amount of all Notes of this Series then outstanding.

§ 10 SUBSTITUTION

(1) *Substitution.* The Issuer shall, without the consent of the Holders, be entitled in case of any amalgamation, merger, reconstruction, reorganisation, transfer or contribution of assets or other similar transaction in relation to the Issuer at any time to substitute, for the Issuer either the Guarantor or any other company located in the Republic of Italy, more than 90 per cent. of the shares or other equity interest carrying the right to vote of which are directly or indirectly owned by the Guarantor, as principal debtor (the "**Substitute Issuer**") in respect of all obligations arising from or in connection with the Notes provided that (i) the Substitute Issuer is in a position to fulfil all payment obligations arising from or in connection with the Notes without the necessity of any taxes or duties to be withheld at source, and to transfer all amounts which are required therefore to the Issuing Agent without any restrictions and (ii) the Guarantor unconditionally and irrevocably guarantees to each Holder the due and punctual payment of principal, interest and any Additional Amounts.

(2) *Notification of Substitution.* Any such substitution shall be notified in accordance with § 12.

(3) *Change of References.* In the event of any such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the Substitute Issuer.

§ 11 FURTHER ISSUES OF NOTES, PURCHASES AND CANCELLATION

(1) *Further Issues of Notes.* The Issuer may from time to time, without the consent of the Holders, issue further notes having the same terms as these Notes in all respects (or in all respects except for, as applicable, the issue date, issue price, interest commencement date and first interest payment date) so as to be consolidated and form a single series with these Notes.

(2) *Purchases.* The Issuer may at any time purchase Notes in the open market or otherwise at any price. Notes purchased by the Issuer may, at the option of the Issuer, be held, resold or surrendered to the Issuing Agent for cancellation.

(3) *Cancellation.* All Notes redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 12 NOTICES

(1) *Form of Notice to Be Given by the Issuer.* Save for the provisions of § 13 below, and without prejudice to any other mandatory provisions of Italian law, from time to time in force (including, without limitations, the provisions of the Financial Law and the relevant implementing regulations), any notice regarding the Notes, as long as the Notes are held through Monte Titoli, shall be deemed to have been duly given if given through the systems of Monte Titoli.

(2) *Notification in Case of Listing.* In case the Notes are admitted to listing, trading or quotation by any listing authority, stock exchange, or quotation system, notices shall be published additionally in accordance with the rules and regulations of such listing authority, stock exchange or quotation system. Any such notice shall be deemed to have been duly given on the date of such publication.

(3) *Form of Notice to Be Given by any Holder.* Unless stipulated differently in these Terms and Conditions, notices regarding the Notes which are to be given by any Holder to the Issuer shall be validly given if delivered in writing in the Italian or English language to the Issuer, the Guarantor or the Issuing Agent (for onward delivery to the Issuer) and by hand or mail. The Holder shall provide evidence satisfactory to the Issuer of its holding of the Notes. Such evidence may be (i) in the form of a certification

from the Custodian (as defined in § 14 (4)) with which the Holder maintains a securities account in respect of the Notes that such Holder is, at the time such notice is given, the Holder of the relevant Notes, or (ii) in any other appropriate manner.

§ 13

The provisions of Article 2415 and ff. of the Italian Civil Code apply for the protection of the common interests of the Holders. The Holders agree hereafter to any changes in these Terms and Conditions made by the Issuer for the purpose of eliminating any error which is minor, formal or technical in nature.

(1) *Holders' Meeting.* In accordance with the provision of Article 2415 of the Italian Civil Code, the Holders' general meeting has the power to resolve upon the following: a) the appointment and revocation of the Holders' Representative (as defined in § 13 (8)); b) amendments of these Terms and Conditions; c) proposals for creditors' arrangements; d) the establishment of a fund for the expenses needed to protect the joint interest and the related accounts; and e) other matters of common interest to the Holders.

(2) *Calling of Meetings.* A meeting may be convened by the directors of the Issuer or the Holders' Representative and shall be convened upon request by Holders holding at least 5.00 per cent. of the aggregate principal amount of the outstanding Notes. All meetings of Holders will be convened and held in accordance with the provisions of Italian law (including without limitations the provisions of the Financial Law and the relevant implementing regulations) and the Issuer's by-laws, each as from time to time amended. The notice to convene a meeting shall be published in the *Gazzetta Ufficiale* (the Official Gazette of the Republic of Italy) or in one of the newspapers referred to in the Issuer's by-laws (or according to such other publication method which may be required under any Italian law applicable or according to the by-laws of the Issuer from time to time) at least 15 days (or such other period as may be prescribed by then applicable Italian law or the Issuer's by-laws) prior to the date of the meeting.

(3) *Holders' Meetings and Quorums.* In compliance with Article 2415, paragraph 3, of the Italian Civil Code the rules set forth under Italian law for an extraordinary general meeting of the shareholders of joint stock companies apply to the Holders' meeting. Resolutions adopted are recorded in the competent companies' register under the responsibility of the public notary who drafted the minutes of the meeting. For the purpose of this provision, a "**Reserved Matter**" means any amendment of these Terms and Conditions pursuant to Article 2415, paragraph 1, item 2 of the Italian Civil Code.

(4) *Binding Effects of the Resolutions.* Any resolution passed at a Holders' meeting duly convened and held shall be binding upon all Holders whether present or not present at the meeting and whether or not voting.

(5) *Challenge of Resolutions.* In accordance with Article 2416 of the Italian Civil Code, the resolutions adopted by the Holders' meeting may be challenged in accordance with Articles 2377 and 2379 of the Italian Civil Code. (6) *Voting Rights.* Each Holder participating in any vote shall cast its vote in accordance with the principal amount or the notional share of its entitlement to the outstanding Notes.

(7) *Holders' Individual Action.* In accordance with Article 2419 of the Italian Civil Code individual actions by Holders are not precluded, provided such actions are not incompatible with the resolutions of the meeting of Holders provided by Article 2415 of the Italian Civil Code.

(8) *Holders' Representative.* A representative of the Holders (*rappresentante comune*) (the "**Holders' Representative**"), may be appointed under Article 2417 of the Italian Civil Code in order to represent the Holders' interests under these Terms and Conditions and to give effect to resolutions passed at a meeting of the Holders. If the Holders' Representative is not appointed by a meeting of

Holders, the Holders' Representative shall be appointed by a decree of the president of the court where the Issuer has its registered office at the request of one or more Holders or at the request of the directors of the Issuer. The Holders' Representative shall remain appointed for a maximum period of three years but may be reappointed again thereafter.

1. General

The lead manager has agreed that it will comply with all applicable laws and regulations in force in any jurisdiction in which it subscribes for, purchases, offers, sells or delivers Notes and will obtain any consent, approval or permission required by it for the subscription, purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such subscriptions, purchases, offers, sales or deliveries and none of the Issuer nor the Guarantor shall have any responsibility therefore.

The lead manager has represented and agreed that it will not offer, sell or deliver any Notes or distribute any document relating to the Notes to persons resident, domiciled or located, including a permanent establishment thereof established in one of the countries not listed in the Italian Ministerial Decree issued pursuant to Article 11, paragraph 4(c) of Legislative Decree No. 239 of April 1, 1996.

2. United States of America (the "United States")

- (a) The lead manager has acknowledged that neither the Notes nor the Guarantee have been or will be registered under the Securities Act, and the Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

The lead manager has represented, warranted and undertaken that it has not offered or sold and will not offer or sell, any Notes within the United States or to, or for the account or benefit of, any U.S. person, (x) as part of its distribution at any time or (y) otherwise until 40 days after the later of the commencement of the offering and the closing date. Accordingly, the lead manager has further represented, warranted and undertaken that neither it, nor its affiliates nor any persons acting on its or their behalf have engaged or will engage in any directed selling efforts with respect to the Notes, neither it nor they have offered or sold Notes to or for the benefit or account of any U.S. person, and it and they have complied with, and will comply with, the offering restrictions requirement of Regulation S under the Securities Act.
